Fire Safety Tips

www.stayingalive.ca

1. Stop, Drop and Roll
2. Never hide, stay outside!
3. Hey just in case, have a meeting place.
4. Gather your clan, make a fire plan.
5. When in doubt, there's two ways out.
6. Get out quick, before the smoke gets thick.
7. Crawl down low, when it's time to go.
8. Cooking food's hot, so don't touch the pot!
9. Fires that are small, soon will be tall!
10. Fire catches, so don't play with matches
